

OVERVIEW OF AZM2 and AZ Sci Testing at Canyon View

Below are the spring testing days for grades 3-5 at Canyon View:

Grade 3	Grade 4	Grade 5
April 5- AzM2 Writing April 7- AzM2 Reading April 9- AzM2 Math	April 6- AzM2 Writing April 8- AzM2 Reading April 13- AzM2 Math	March 31- AzSCI April 5- AzM2 Writing April 7- AzM2 Reading April 9- AzM2 Math

Students will test in-person and with their grade levels. 100% remote learners will test on the same dates as their in-person grade level peers, but will follow a modified timeline on their testing days.

It is very important for your student to be present on testing days. We have a plan for both remote and in-person students to test safely. During our testing sessions, our staff will continue to follow our health and safety protocols, and we will be utilizing small group testing for students who would benefit from this type of environment.

Canyon View is dedicated to following our safety and mitigation plan to keep students and staff safe through the spring testing season.
